UNIPART

Unipart parts and accessories are tested and approved by British Leyland.
For full details of the Unipart range refer to the Unipart catalogue.

INTRODUCTION

This publication is completely pictorial, that is, a pictorial group index, page index and part numbered illustrations with no description. This gives a quicker look-up time and obviates the need for translation. The part number quoted on the illustrations is common to all models covered by the publication, unless otherwise stated against the heading, the part number or in the section at the bottom of the illustration.

The quantity for any part number is always one off unless a higher quantity is shown in brackets against the part number.

Users should make themselves familiar with the various symbols and abbreviations which are used in the presentation of the publication to denote, amongst other things, Right hand Steering, Left hand Steering, assemblies and components of kits.

The official description of the part, where this information is needed, is shown in the numerical index at the end of the publication. The index also gives the page number on which each part appears.

INTRODUKTION

Denne publikation fremtraeder kun med illustrationer, dvs. et gruppe-indeks, et side-indeks og illustrerede reservedelsnumre uden beskrivelse. Dermed er bogen hurtigere at bruge, og man undgår at skulle oversætte. Det reservedelsnummer, der er anført ved illustrationerne, er fælles for alle de modeller, der omfattes af publikationen, med mindre andet er anført i overskriften, ved reservedelsnummeret eller i afsnittet forneden på illustrationen.

For enhver reservedel er der altid tale om et styk, med mindre et andet kvantum er anført i parentes ud for reservedelsnummeret.

Man bør sætte sig inde i de forskellige symboler og forkortelser, der bruges i denne publikation for f.eks. at angive højrestyring, venstrestyring, aggregater og dele i sæt.

Den officielle beskrivelse af en reservedel er, hvor denne oplysning er påkrævet, anført i det numeriske indeks sidst i publikationen. Dette indeks viser også, på hvilken side den enkelte reservedel findes.

INLEIDING

Deze uitgave is volledig geïllustreerd en bevat een inhoudsopgave van de onderdelengroepen en bladzijden, evenals een opgave van aparte onderdelen in de vorm van genummerde illustraties zonder nadere toelichting. Op deze wijze wordt het opzoeken vergemakkelijkt en zijn vertalingen overbodig. De onderdelennummers in de illustraties zijn van toepassing op alle modellen die in de uitgave zijn genoemd, tenzij het tegendeel is vermeld bovenaan de bladzijde, bij het onderdeelnummer of onder de betreffende illustratie.

Het aantal onderdelen bedraagt steeds 1 stuks, tenzij een groter aantal tussen haakjes bij het onderdeelnummer is vermeld.

Gebruikers worden verzocht zich vertrouwd te maken met de verschillende symbolen en afkortingen die in deze uitgave zijn vermeld en die o.a. dienen voor het aanduiden van wagens met rechts of links stuur, samengestelde onderdelen, aparte onderdelen of sets.

De officiële beschrijving van de onderdelen is, indien belangrijk, vermeld in de numerieke inhoudsopgave aan het eind van het boek. In de inhoudsopgave zijn tevens de nummers van de bladzijden vermeld waarop de onderdelen zijn afgebeeld.

ESITTELY

Tämä on pelkästään kuvajulkaisu, jossa on kuvitettu ryhmähakemisto, sisällysluettelo ja ilman nimikkeitä laadittu kuvallinen varaosanumeroiden luettelo. Kirjan käyttö nopeutuu, koska kääntäminen ei ole tarpeen. Kuivissa esitetyt varaosanumerot sopivat kaikkiin kirjan esittämiin malleihin ellei otsikossa varaosanumeron yhteydessä tai kuvan alla ole toisin mainittu.

Jokaista osaa tarvitaan yksi kappale, ellei suurempaa määrää ole mainittu sulkuumerkeissä varaosanumeron yhteydessä.

Käyttäjien on tutustuttava julkaisussa käytettyihin erilaisiin merkkeihin ja lyhennyksiin huomioidakseen mm. oikean tai vasemmanpuoleisen ohjauksen, osa-asetelmat ja korjaussarjat.

Niistä osista, joiden sanallinen nimike on tarpeen, on kirjan lopussa numeroitu luettelo, jossa on myös mainittu, millä kirjan sivulla k.o. osa on kuvattu.

INTRODUCTION

Cette publication est entièrement illustrée, c'est-à-dire qu'elle comprend un index des figures, un index des pages et des figures avec les numéros de pièce mais sans aucune désignation. Cela permet une recherche plus rapide et supprime la nécessité de la traduction. Le numéro de pièce indiqué pour chaque figure est commun à tous les modèles couverts par la publication sauf s'il en est autrement spécifié dans l'en-tête, avec le numéro de pièce ou sous la figure.

Pour chaque numéro de pièce la quantité est toujours égale à UN sauf si une quantité plus élevée est inscrite entre parenthèse à côté du numéro de pièce.

Les utilisateurs devront se familiariser avec les symboles et les abréviations employés dans la présentation de cette publication pour indiquer, entre autres, Direction à Droite, Direction à Gauche, Ensembles et Pièces composant un lot.

La désignation officielle de la pièce, lorsqu'elle est nécessaire, figure dans l'index numérique qui se trouve à la fin de la publication. Cet index donne également le numéro de la page dans laquelle chaque pièce est représentée.

EINFÜHRUNG

Diese Veröffentlichung besteht lediglich aus Abbildungen, d.h. einem bildlichen Gruppenindex, Seitenindex und teilebezeichneten Abbildungen ohne Beschreibung. Dies erleichtert das Nachschlagen und erübrigt Übersetzungen. Die in den Abbildungen aufgeführten Teilenummern sind allen in dieser Broschüre erwähnten Modellen gleich, außer wenn in der Überschrift, neben der Teilenummer oder im Abschnitt unten in der Abbildung anders angegeben.

Bei den Teilenummern handelt es sich jeweils um ein Einzelstück, außer wenn in Klammern neben der Teilenummer eine größere Menge verzeichnet ist.

Machen Sie sich bitte mit den verschiedenen Symbolen und Abkürzungen vertraut, die u.a. Rechtslenker, Linkslenker, Gruppen und Satzbestandteile darstellen.

Sofern notwendig, kann die offizielle Beschreibung eines Teiles im Nummernverzeichnis am Ende dieser Broschüre nachgeschlagen werden. Im Index ist ebenfalls die Seitennummer jedes Teiles aufgeführt.

INTRODUZIONE

La presente pubblicazione è completamente illustrata, costituita cioè da un indice dei gruppi illustrato, dall'indice delle pagine e dalle illustrazioni dei pezzi senza denominazione o descrizione. Questa soluzione permette una più rapida consultazione ed elimina la necessità della traduzione. Il numero dei particolari indicati nelle illustrazioni sono in comune per tutti i modelli cui la pubblicazione si riferisce, eccetto quando vi sono precise indicazioni in contrario nelle intestazioni, vicino ai numeri di pezzo o nella sezione stessa in fondo all'illustrazione.

La quantità di ogni particolare è sempre di un pezzo, tranne quando maggiori quantitativi sono indicati tra parentesi a fianco del numero di pezzo.

Coloro che dovranno usare la pubblicazione faranno bene a studiare i vari simboli ed abbreviazioni usate nella presentazione, che denotano, tra l'altro, lo sterzo a destra, lo sterzo a sinistra, i complessivi ed i particolari che compongono i corredi completi.

La denominazione ufficiale del pezzo, ove tale informazione sia necessaria, compare nell'indice numerico alla fine della pubblicazione. L'indice mostra anche il numero di pagina per ogni particolare ivi rappresentato.

INTRODUCAO

A presente publicação é completamente ilustrada, quer dizer, ha indice em forma de grupo ilustrado, indice de páginas e ilustrações com peça nos. sem descrição. Isto proporciona tempo mais rápido para buscar e evita a necessidade de traduzir. O peça no. citado nas ilustrações aplica-se para todos modelos nesta publicação, salvo indicação contraria contra o título, o peça número ou na seção no fundo da ilustração.

A quantidade para qualquer peça no. é sempre de uma peça, salvo indicação contraria, quer dizer, de quantidade superior, indicada entre parênteses contra o peça número.

Os Senhores usuários devem familiar-se com os diversos símbolos e abreviações que empregam-se na apresentação da publicação para indicar, entre outras coisas, volante à direita, volante à esquerda, componentes de conjuntos de instrumentos.

A descrição oficial da peça, onde precisa-se desta informação, está indicada no índice numérico situado no fim da publicação. O índice também proporciona o número de página na qual cada peça acha-se.

INTRODUCCION

Esta publicación es completamente pictórica, es decir, un índice de grupo pictórico, índice de páginas e ilustraciones numeradas de piezas sin descripción alguna. Con esto se tarda menos en buscar las piezas y se evita la necesidad de traducción. El número de pieza indicado en las ilustraciones es común a todos los modelos incluidos en la publicación, a menos que se diga lo contrario en el encabezamiento, en el número de pieza o en la sección en la parte inferior de la ilustración.

La cantidad de cualquier número de pieza se refiere siempre a una unidad a menos que se muestre mayor cantidad entre paréntesis al lado del número de pieza.

Los usuarios deberán familiarizarse con los diferentes símbolos y abreviaturas empleadas en la publicación para indicar, entre otras cosas, Dirección a la Derecha, Dirección a la Izquierda, conjuntos y componentes de juegos.

La descripción oficial de la pieza, en los casos en que se necesite esta información, aparece en el índice numérico al final de la publicación. También se da en el índice el número de la página en la que aparece cada pieza.

INTRODUKTION

Denna publikation är helt illustrerad, d.v.s. den har illustrerat gruppindex, sidoindex och illustrationer försedda med detaljnummer utan beskrivning. Detta gör det lättare att snabbt hitta rätt och gör dessutom översättning överflödig. Det detaljnummer som anges på resp. illustration är lika för alla modeller som täcks av publikationen, såvida inget annat anges i rubriken, vid själva detaljnumret eller i sektionen under illustrationen.

Antalet detaljer för varje detaljnummer är alltid en, såvida inte en högre kvantitet anges inom parentes vid det berörda detaljnumret.

Den som använder katalogen bör göra sig förtrogen med de olika symbolerna och förkortningarna som används och som bl.a. anger högerstyrning, vänsterstyrning, enheter och komponenter i satser.

Den officiella beskrivningen av detaljen, där sådan information erfordras, anges i det nummerindex som finns i slutet av publikationen. I detta index anges också den sida, på vilken detaljen finns upptagen.

EXTERIOR PAINT & TRIM CODE PROCEDURE

The following system has been devised to cover basic colours.

Body Colour	Paint Code	Body Colour	Paint Code	Trim Colour	Trim Code
French Blue	JAA	Inca Yellow	FAB	Sebring White	NAC
White	NAB	Russet Brown	AAE	Black	PAA
Mimosa	FAA	Tahiti Blue	JAE	Beige	AAA
Pimento	CAB	Flamenco	CAD	Chestnut	AAD
Carmine	CAA	Brooklands Green	HAE	Tartan Red	CAC
Maple	AAC	Astral Blue (Metallic)	JAF	Emerald	HAC
Java	HAB	Tara Green (Metallic)	HAD	Red & Black	RAA
B.R.G. (1975)	HAA			Green & Black	RAB
Delft	JAB				
Topaz	EAA				

Colours of Paint and Trim items are denoted by the code letters shown above following the Part No.

Paint and Trim Colours are recorded on Commission No. Plate.

SYSTEME DE CODE POUR PEINTURE EXTERIEURE ET GARNITURE

En ce qui concerne les couleurs fondamentales, on a imaginé le système suivant.

la couleur de la carrosserie	le code de la peinture	la couleur de la carrosserie	le code de la peinture	Coloris Garnitures	le code de la garniture
French Blue	JAA	Inca Yellow	FAB	Sebring White	NAC
White	NAB	Russet Brown	AAE	Black	PAA
Mimosa	FAA	Tahiti Blue	JAE	Beige	AAA
Pimento	CAB	Flamenco	CAD	Chestnut	AAD
Carmine	CAA	Brooklands Green	HAE	Tartan Red	CAC
Maple	AAC	Astral Blue (Metallic)	JAF	Emerald	HAC
Java	HAB	Tara Green (Metallic)	HAD	Red & Black	RAA
B.R.G. (1975)	HAA			Green & Black	RAB
Delft	JAB				
Topaz	EAA				

Les teintes de peinture et les éléments de garniture sont définis par les lettres codifiées comme cela est indiqué ci-dessus, selon le numéro de l'élément.

La peinture et les teintes de la garniture sont enregistrées dans les espaces fournis sur les plaques d'immatriculation de série.

2 VALVE ENGINE - Short engine

2 VALVE ENGINE - Cylinder liners, drain plug, lifting eye

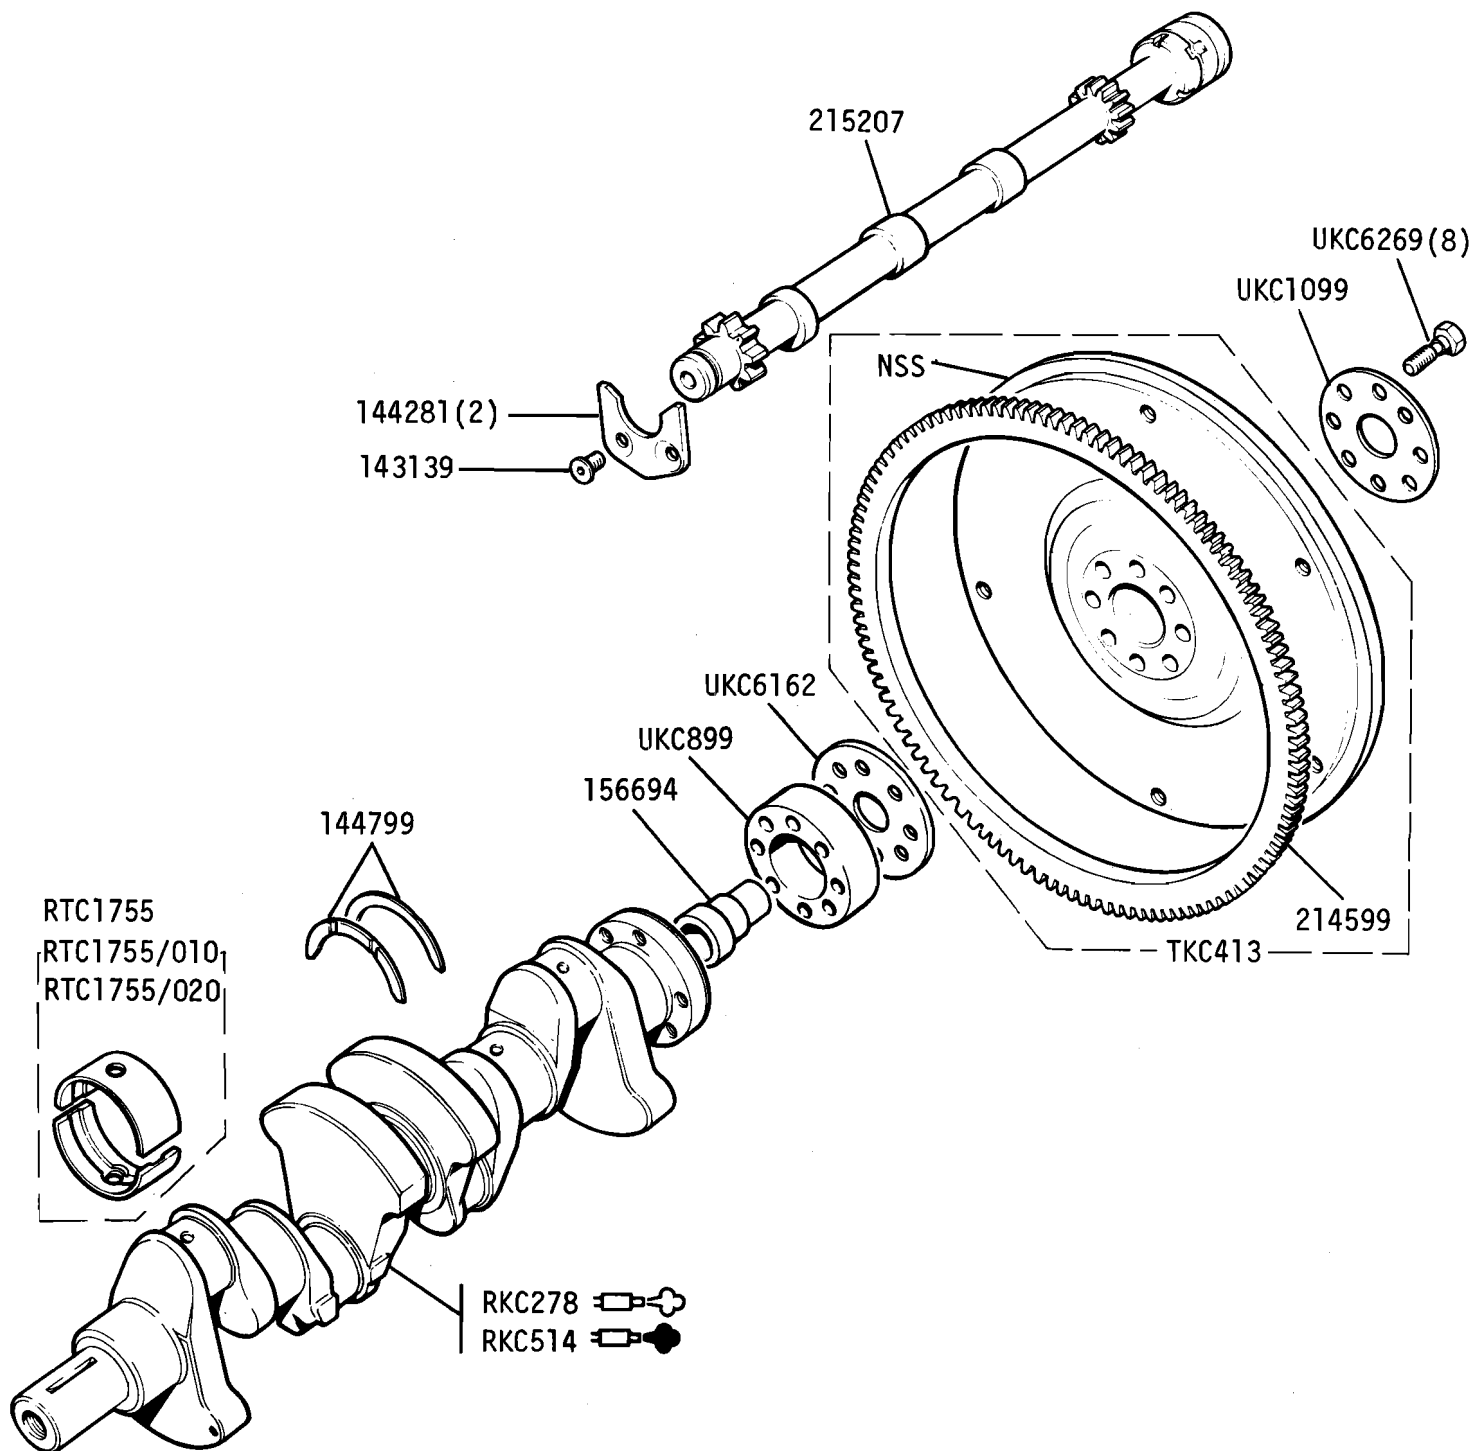

2 VALVE ENGINE - Crankshaft, idler shaft, flywheel, starter ring (Manual Gearbox)

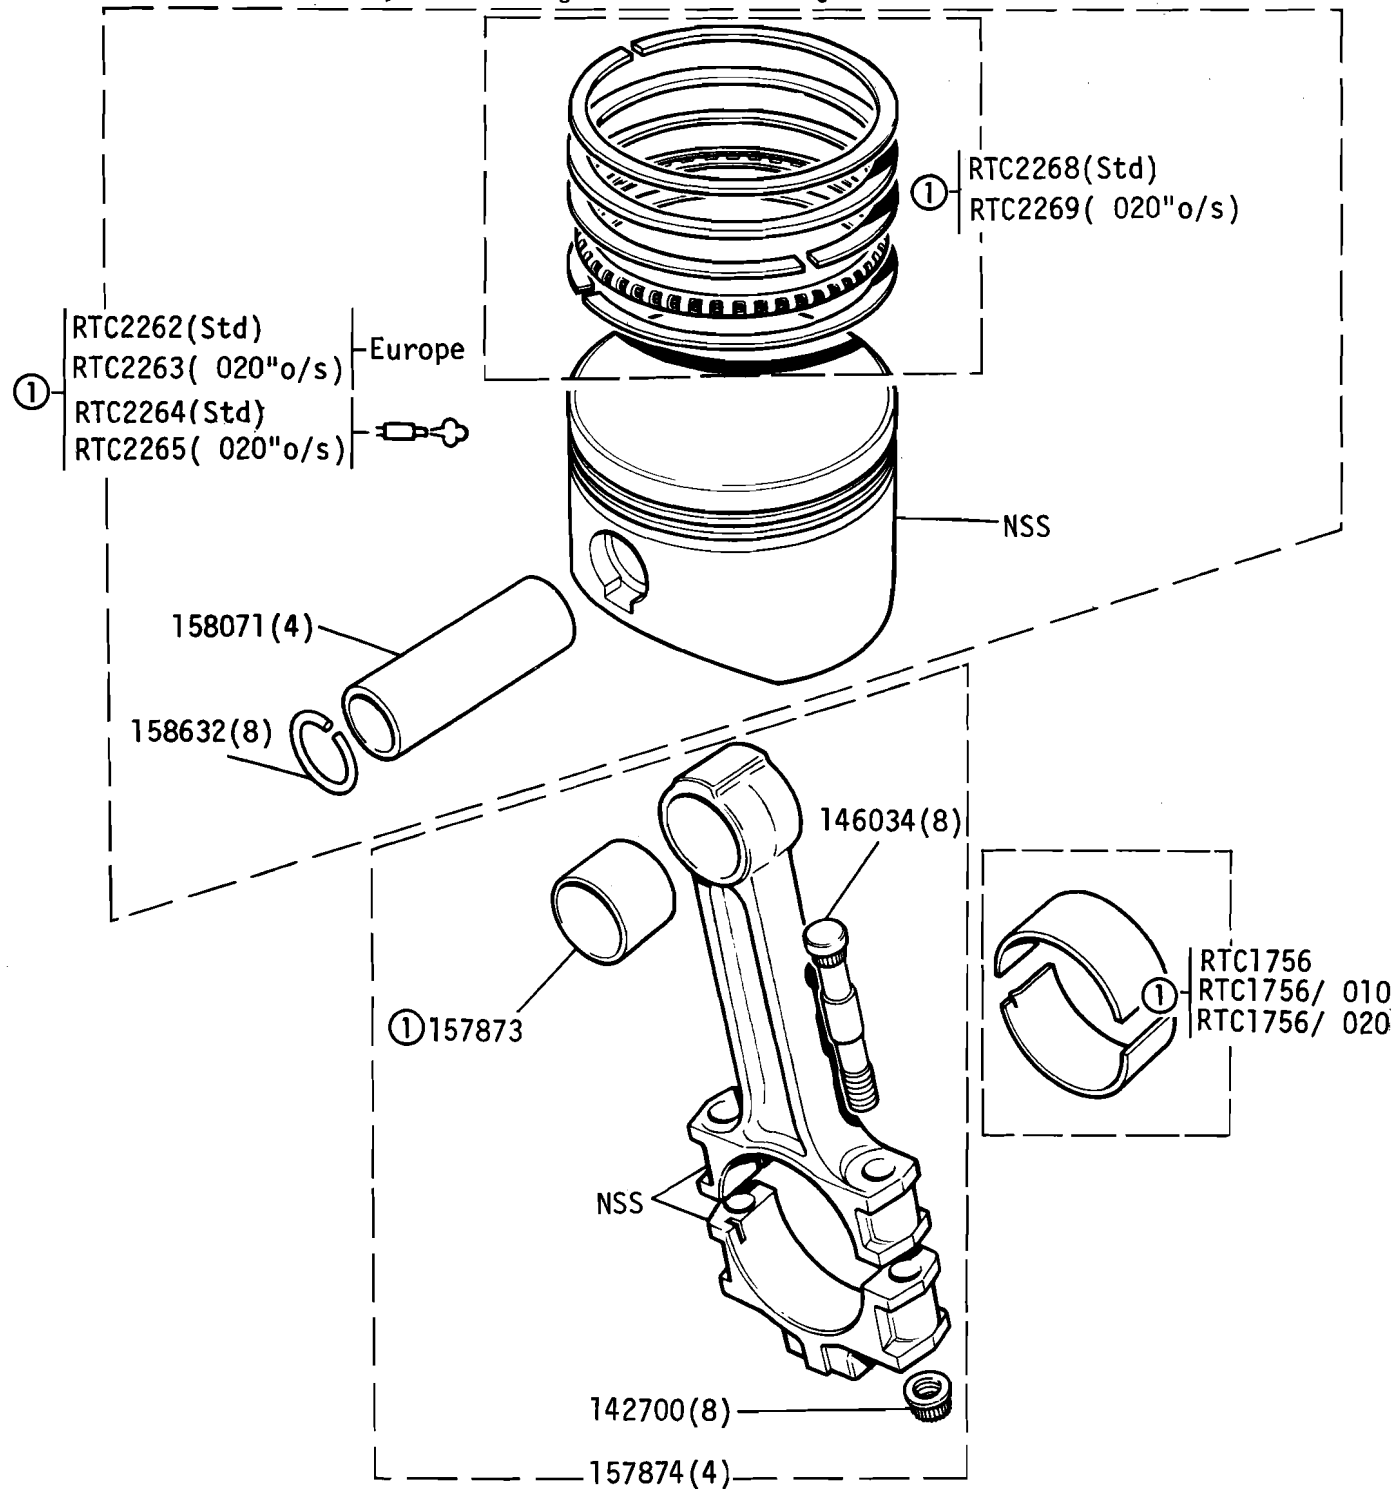

① Engine nos. CG8894, CL36771, CV10

2 VALVE ENGINE - Crankshaft, Idler Shaft, Drive Plate (Auto Gearbox Vehicles)

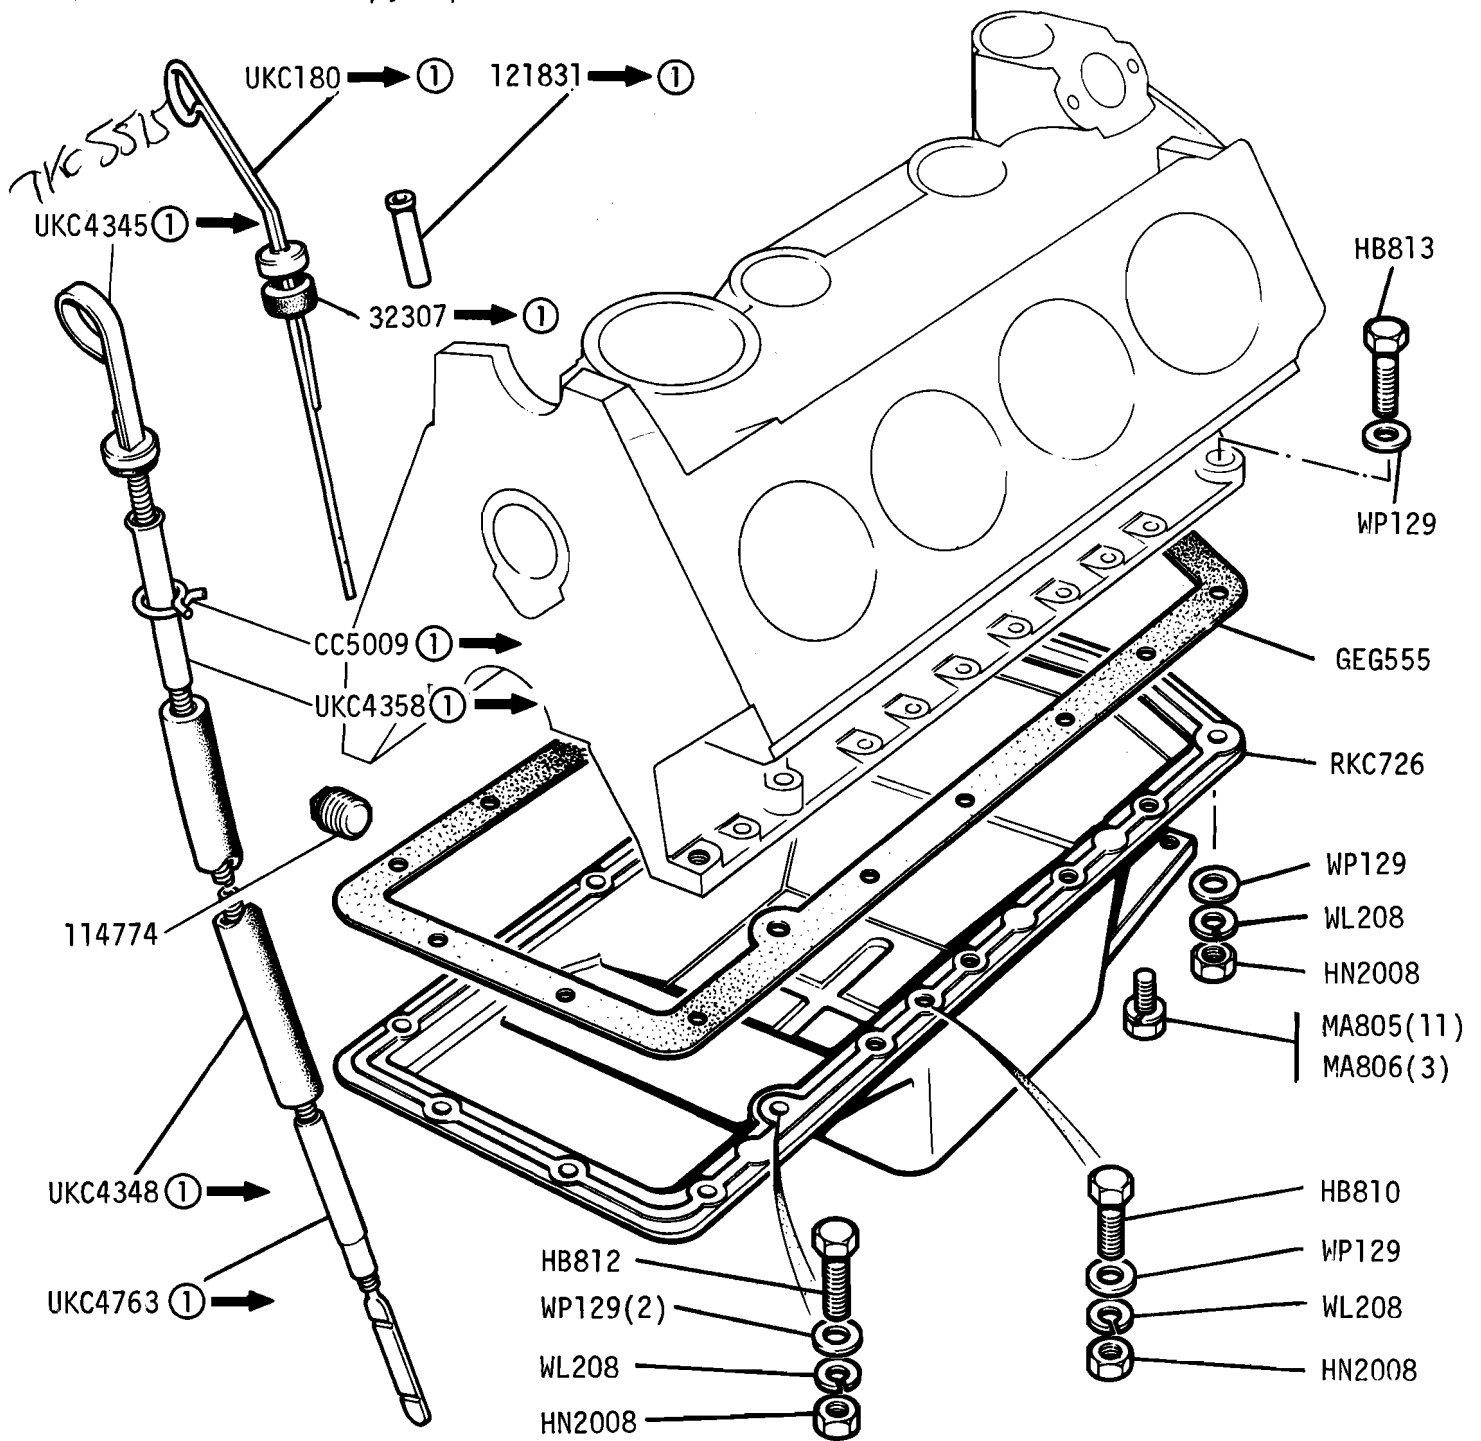

2 VALVE ENGINE - Piston, Connecting Rod and Bearings

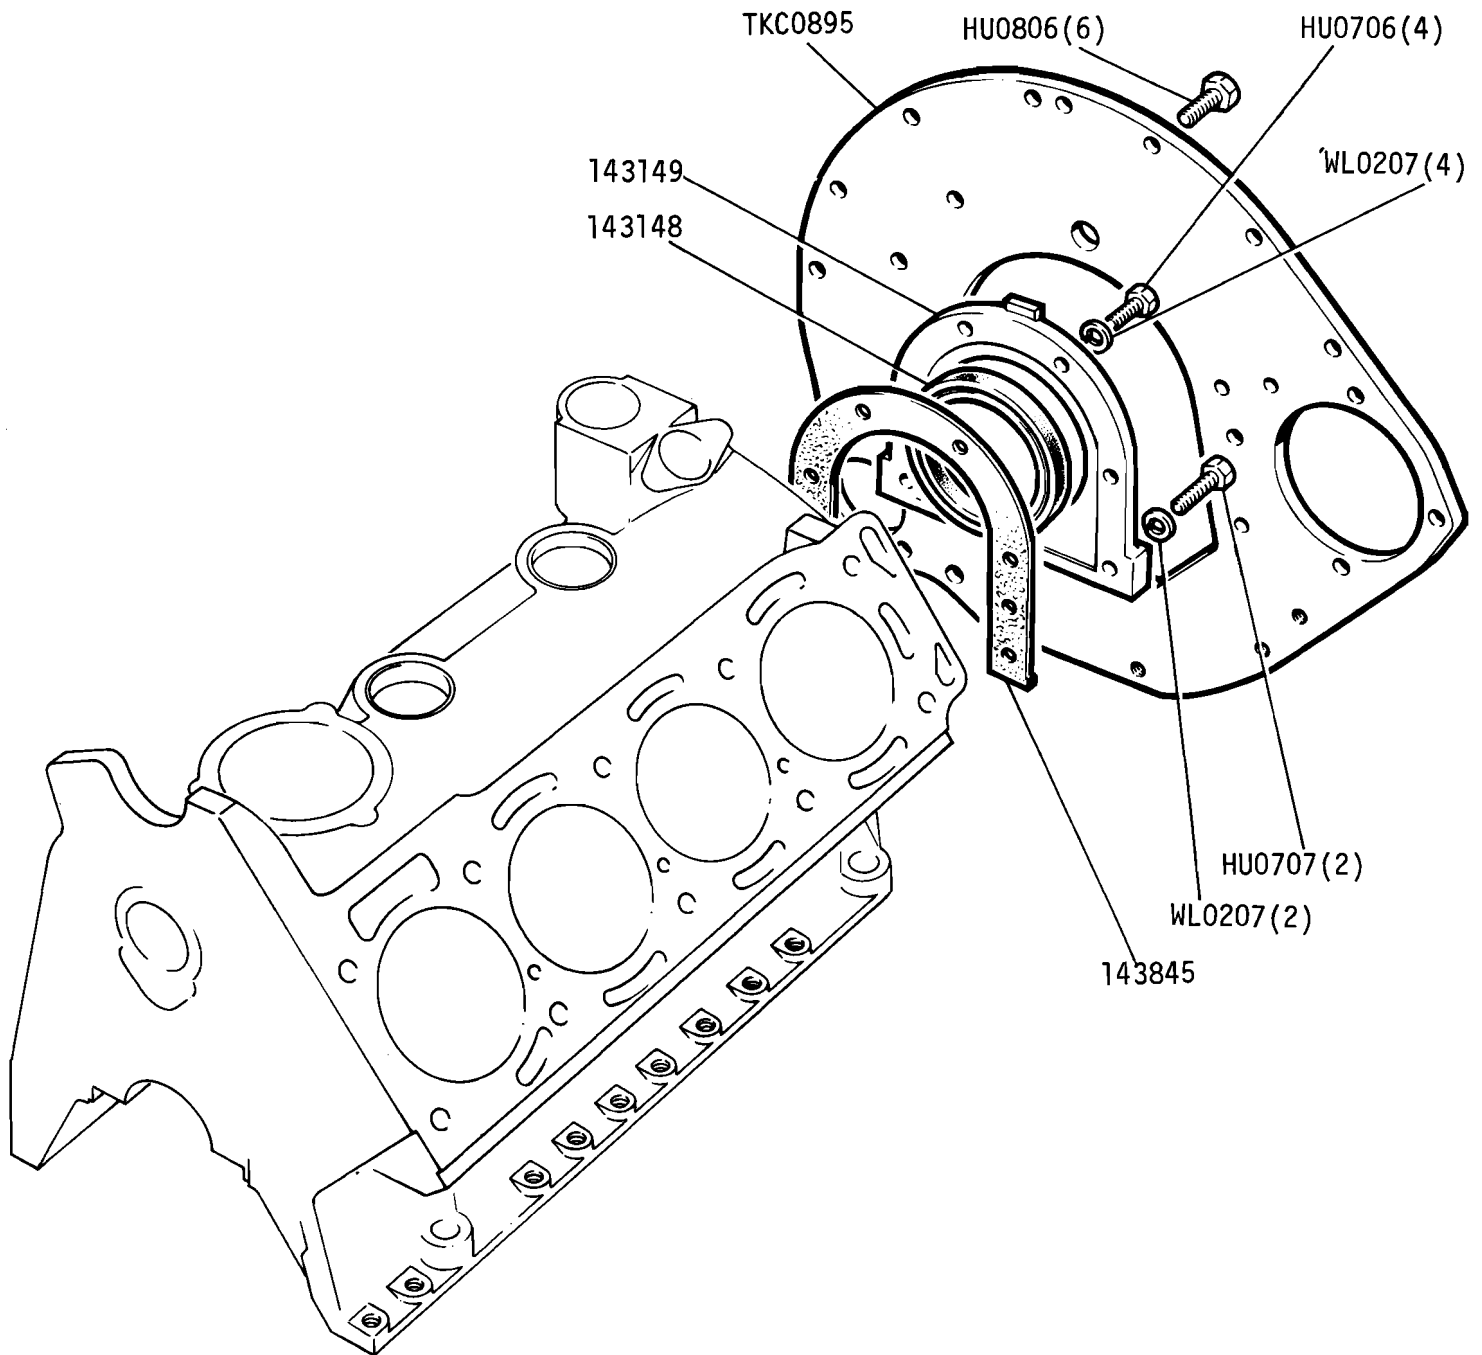

① Supplied in Engine Sets

2 VALVE ENGINE - Sump, Dipstick

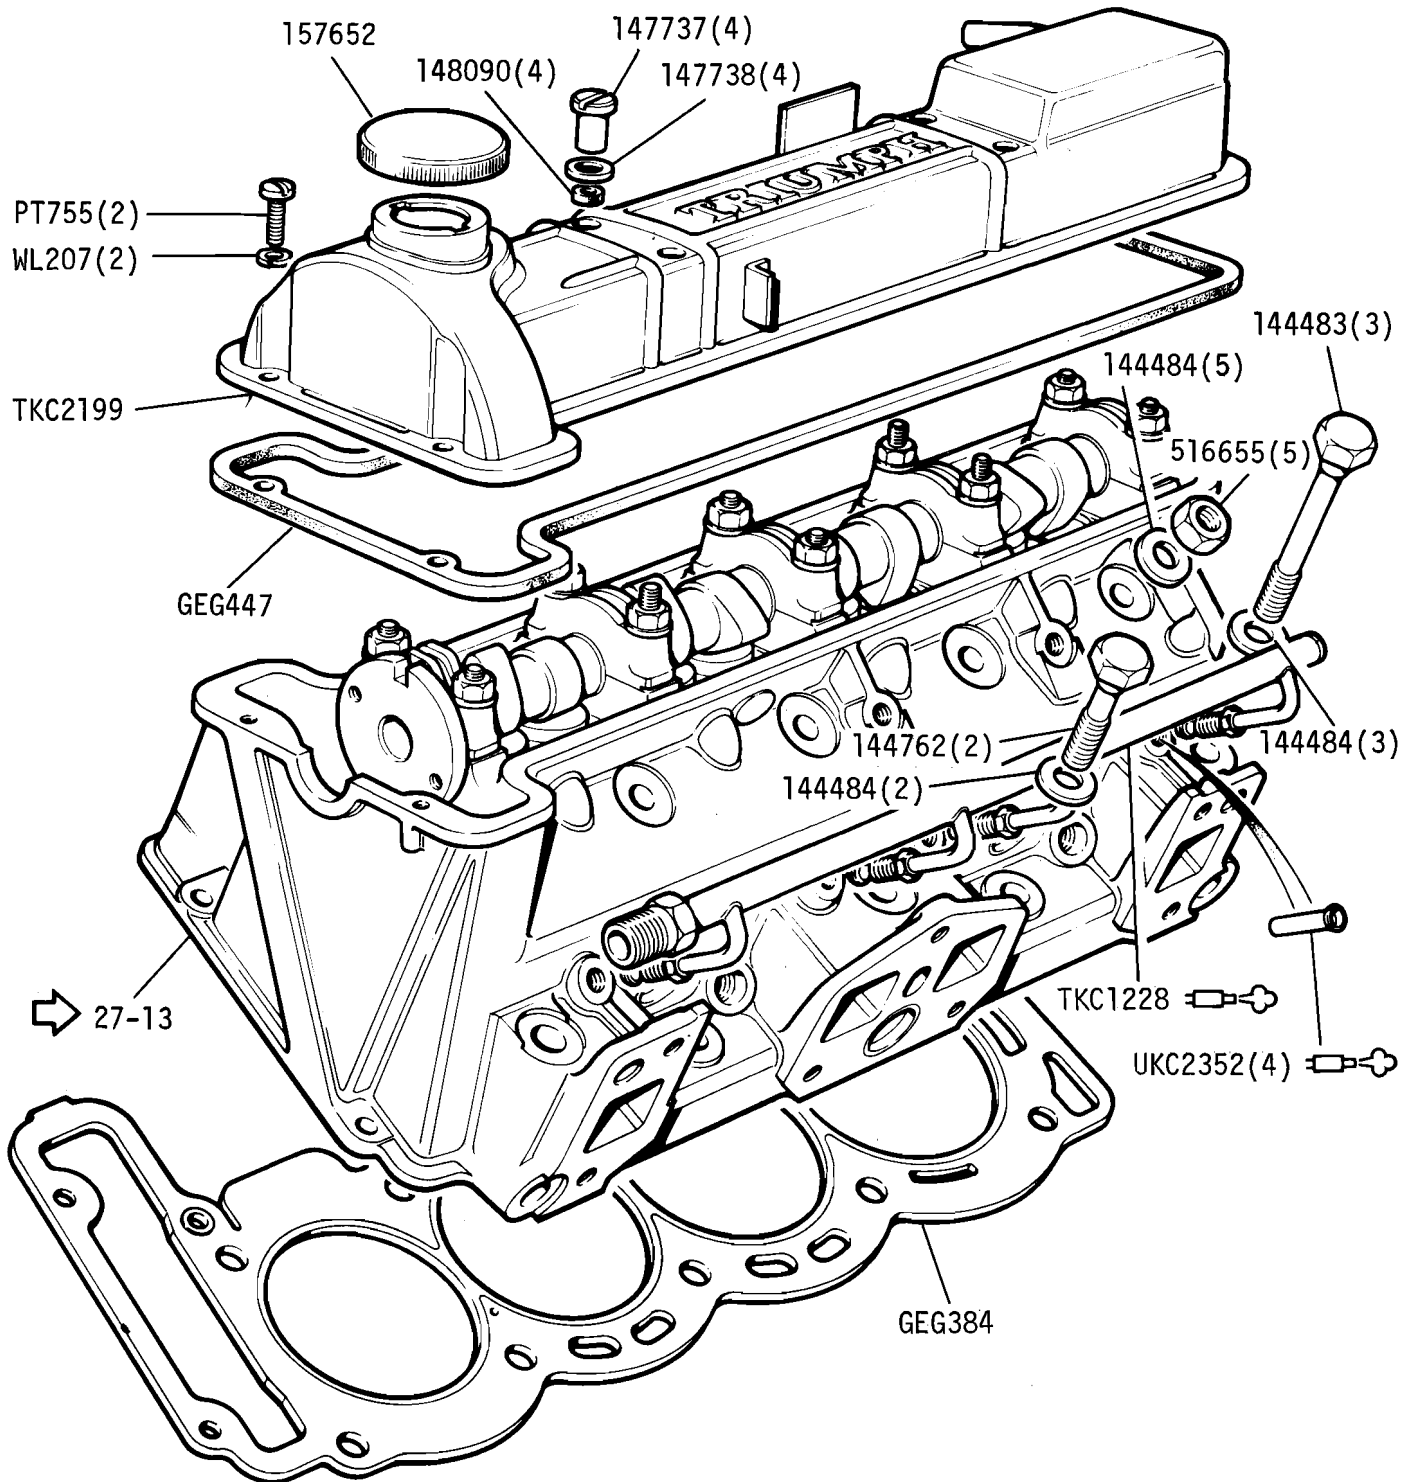

① 1st Engine (Europe) Engine No CL28290(USA)

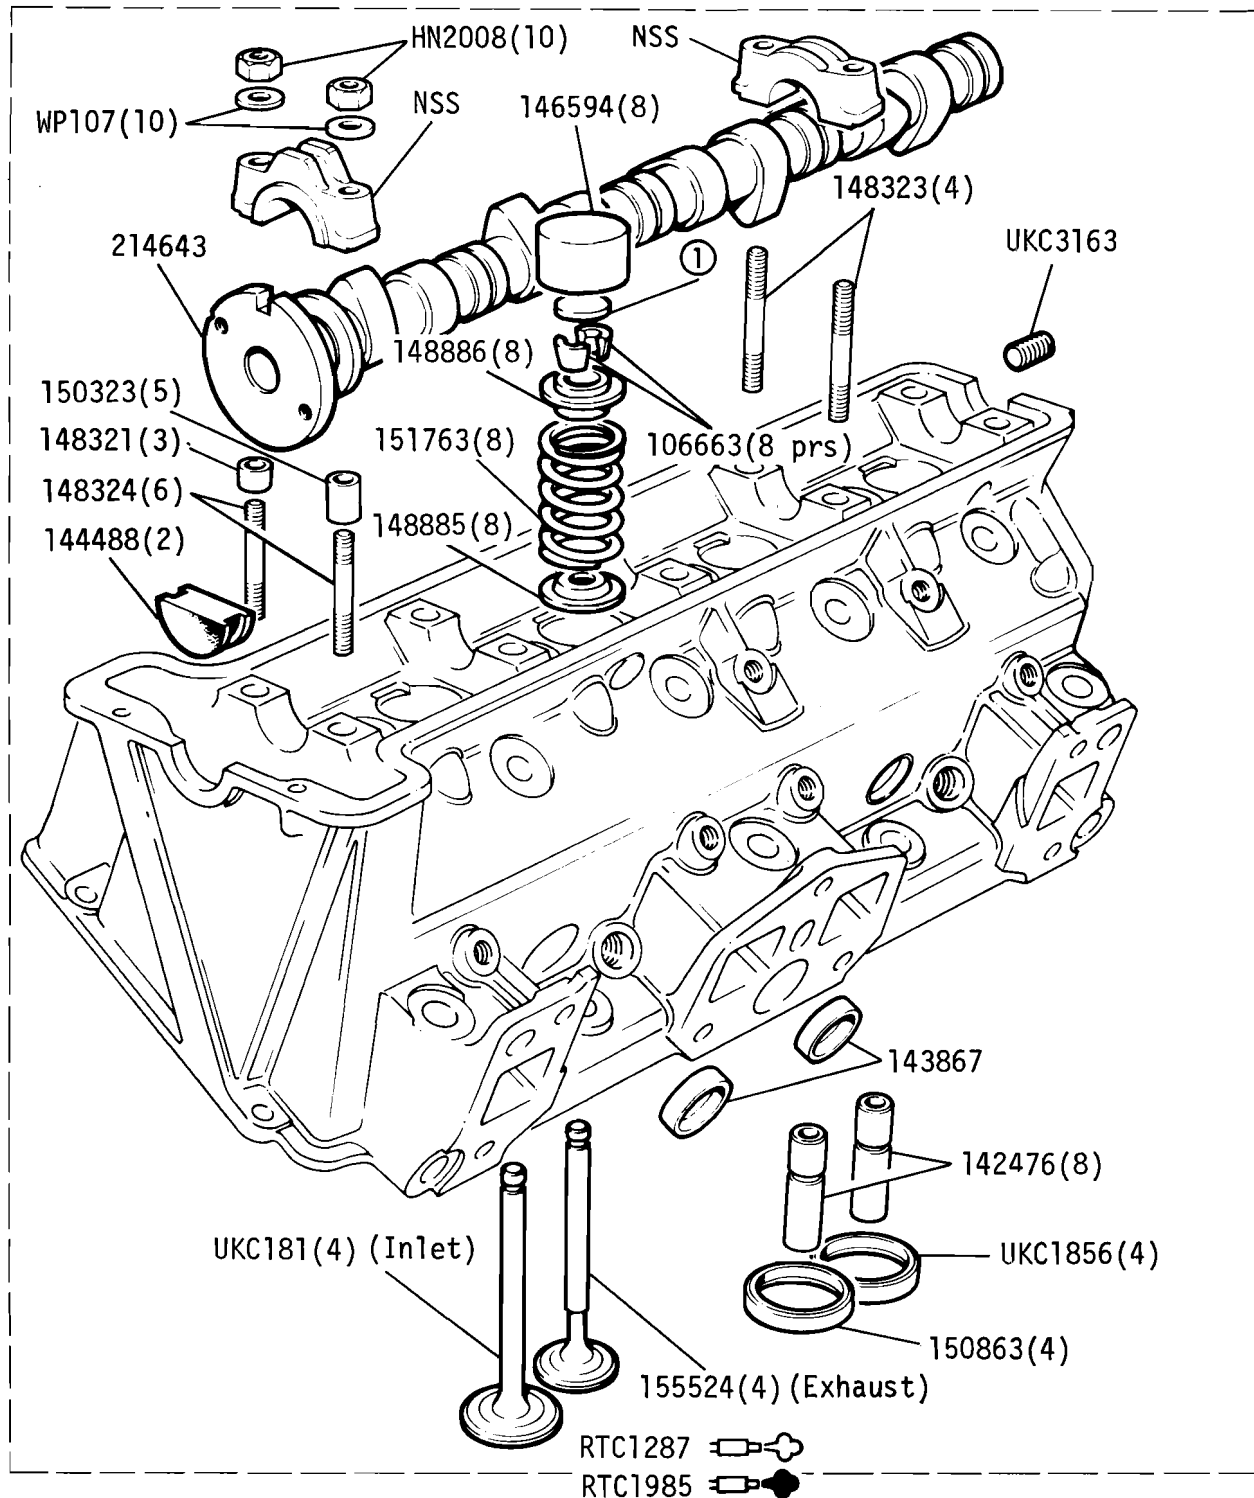

2 VALVE ENGINE - Rear Engine Plate

2 VALVE ENGINE - Camshaft Cover, Head Gasket

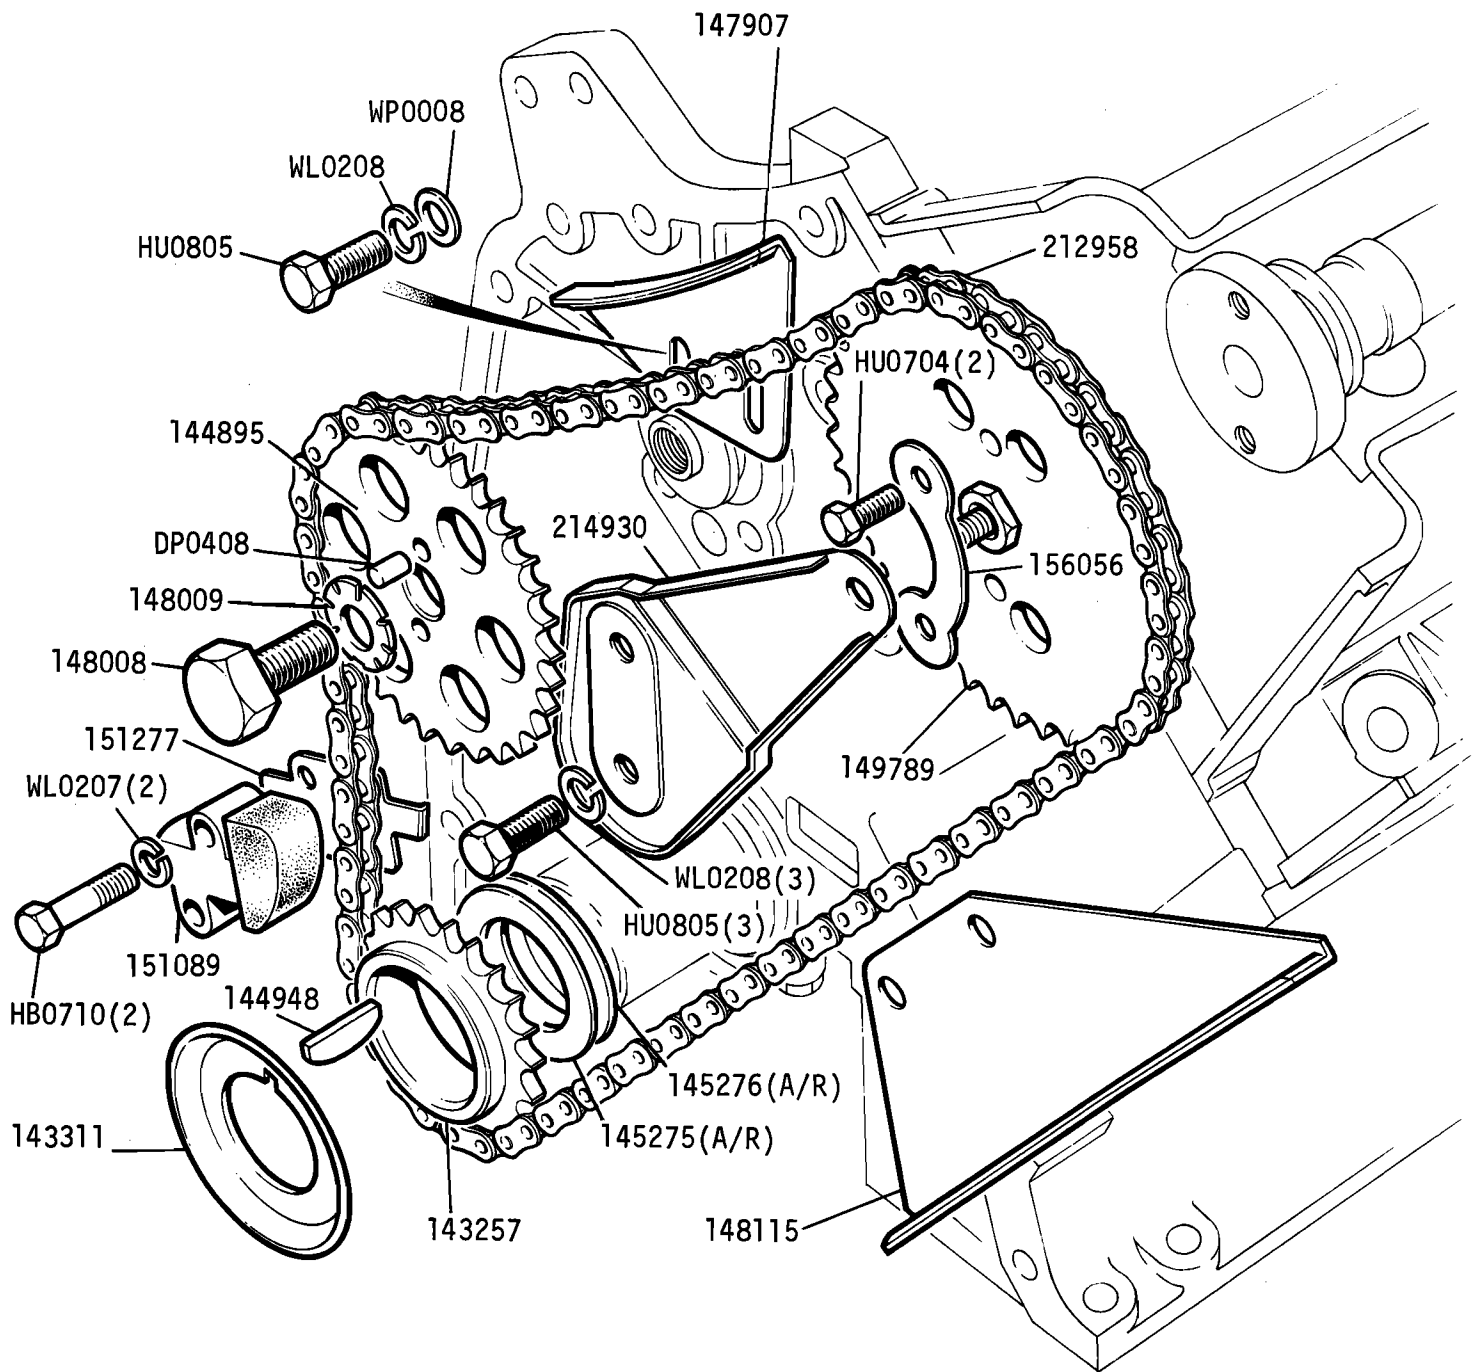

2 VALVE ENGINE - Cylinder Head Assy

2 VALVE ENGINE - Timing Chain, Chainwheels

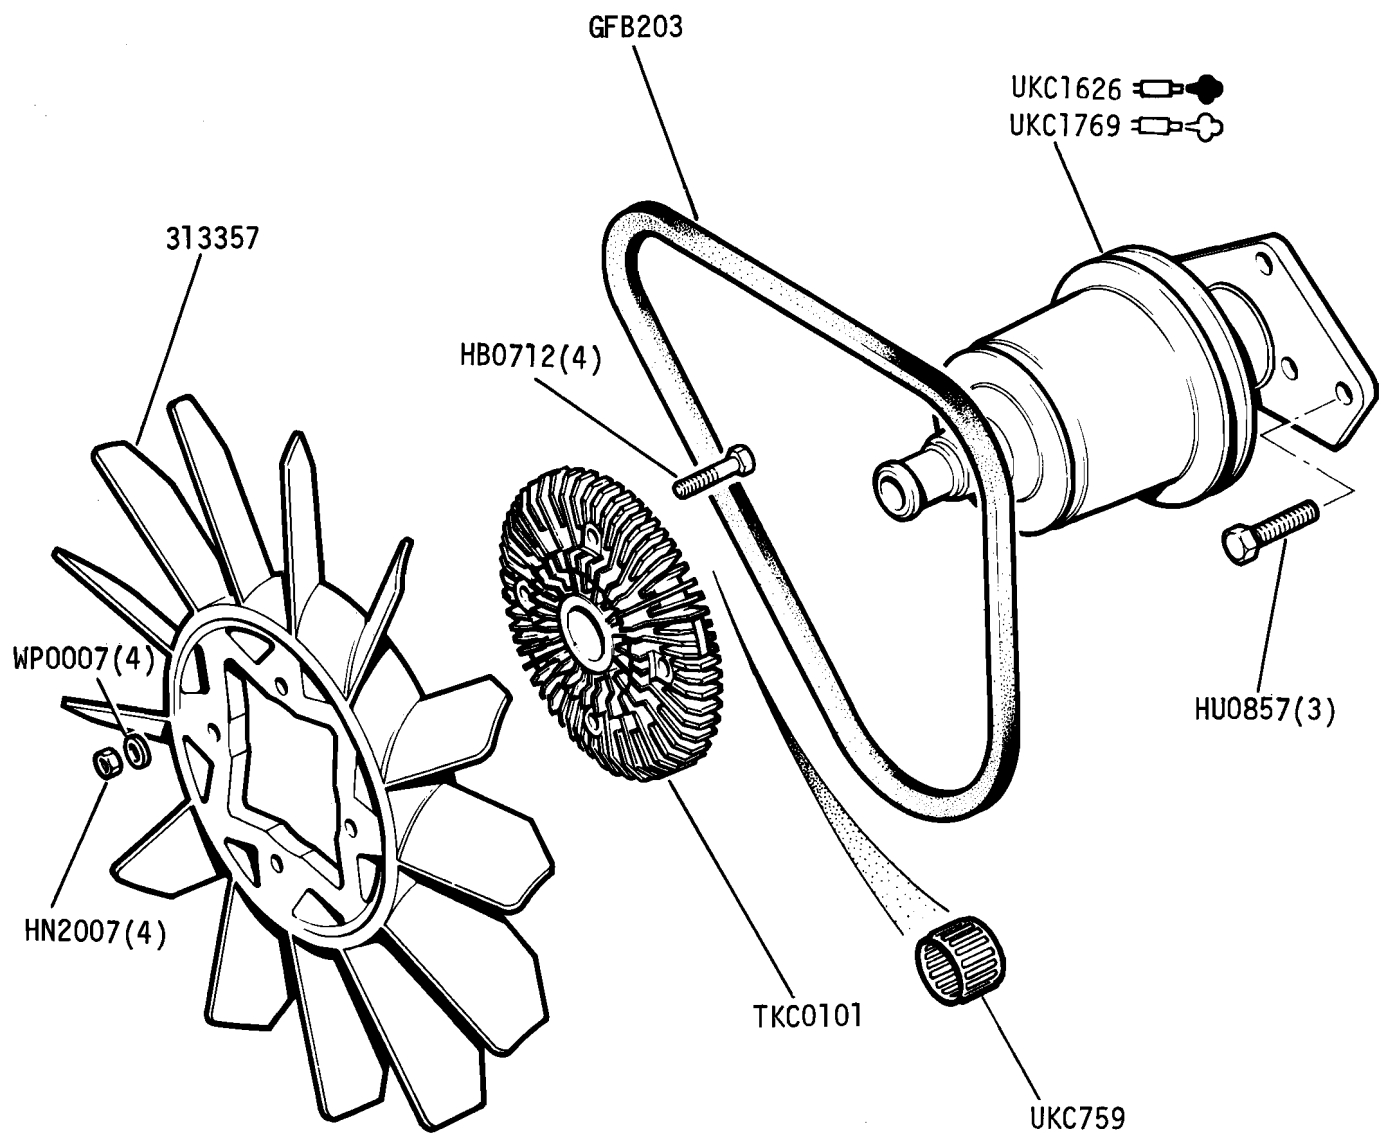

2 VALVE ENGINE - Timing Cover, Crankshaft Pulley

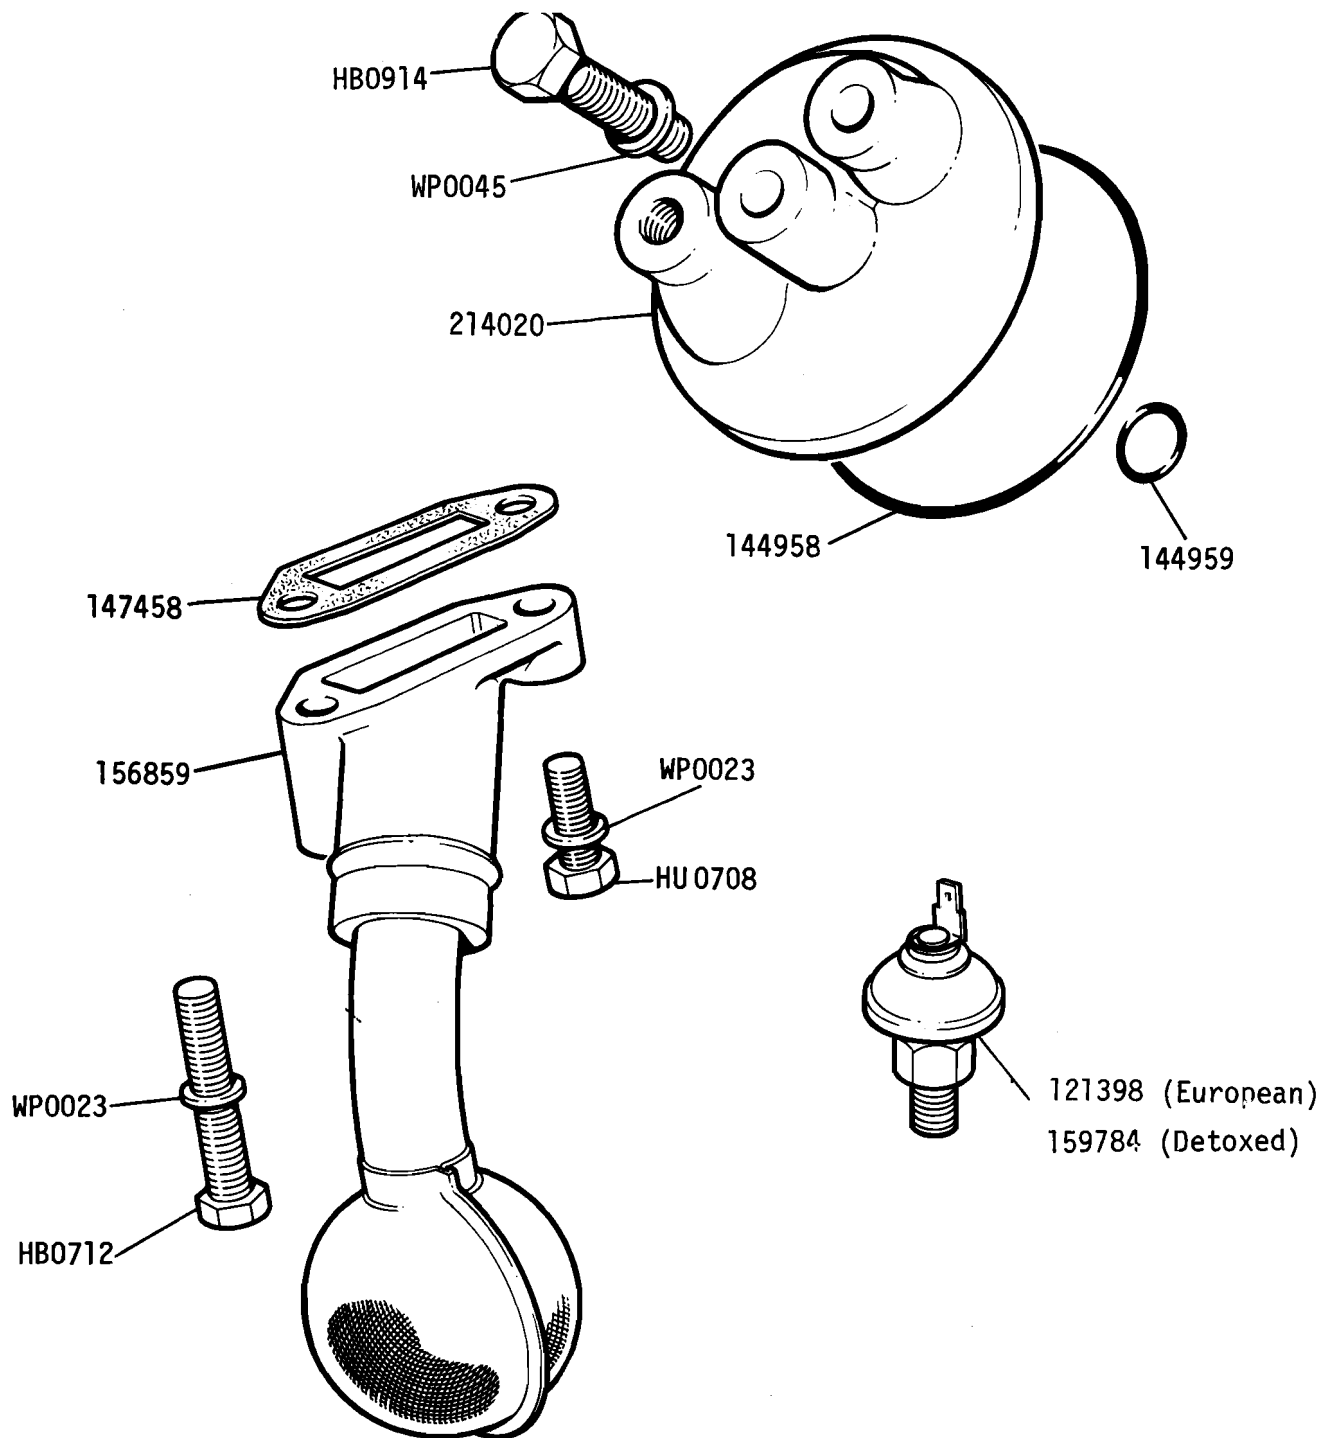

① Engine Nos. CG32, CL6859

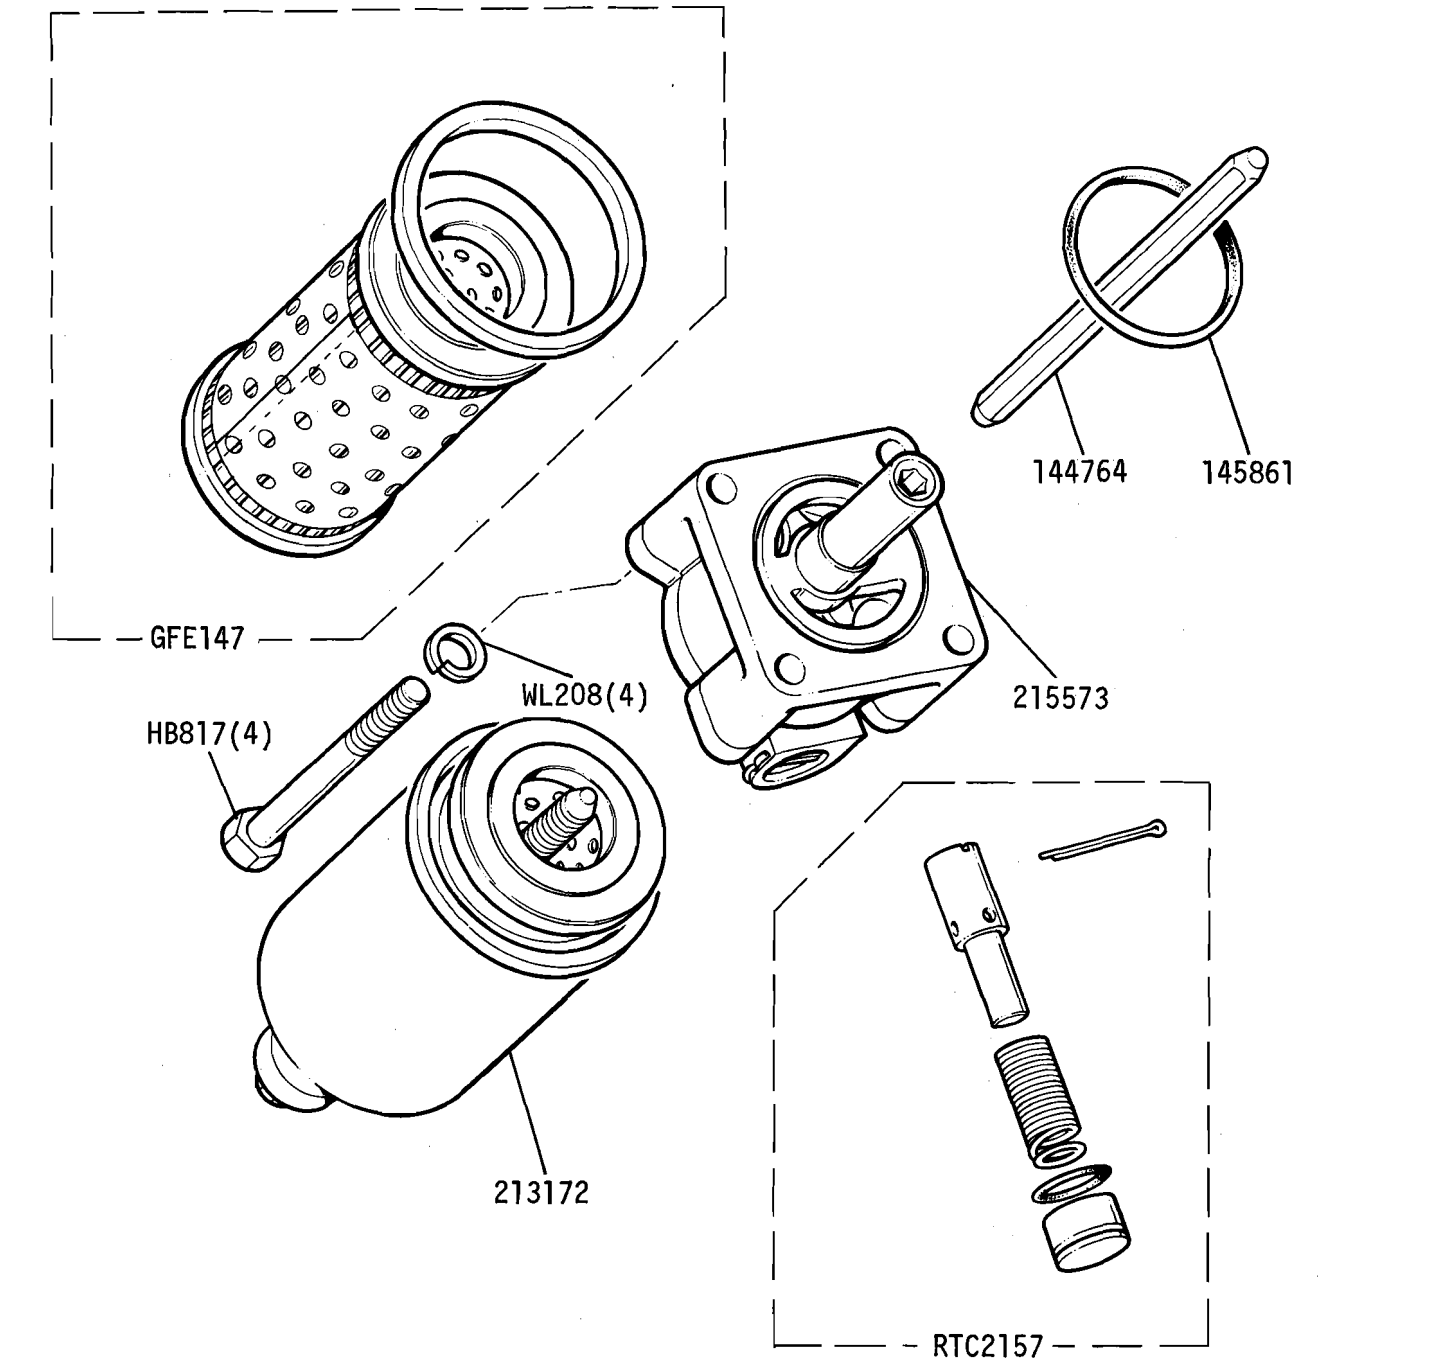

2 VALVE ENGINE - Fan, Belt and Housing

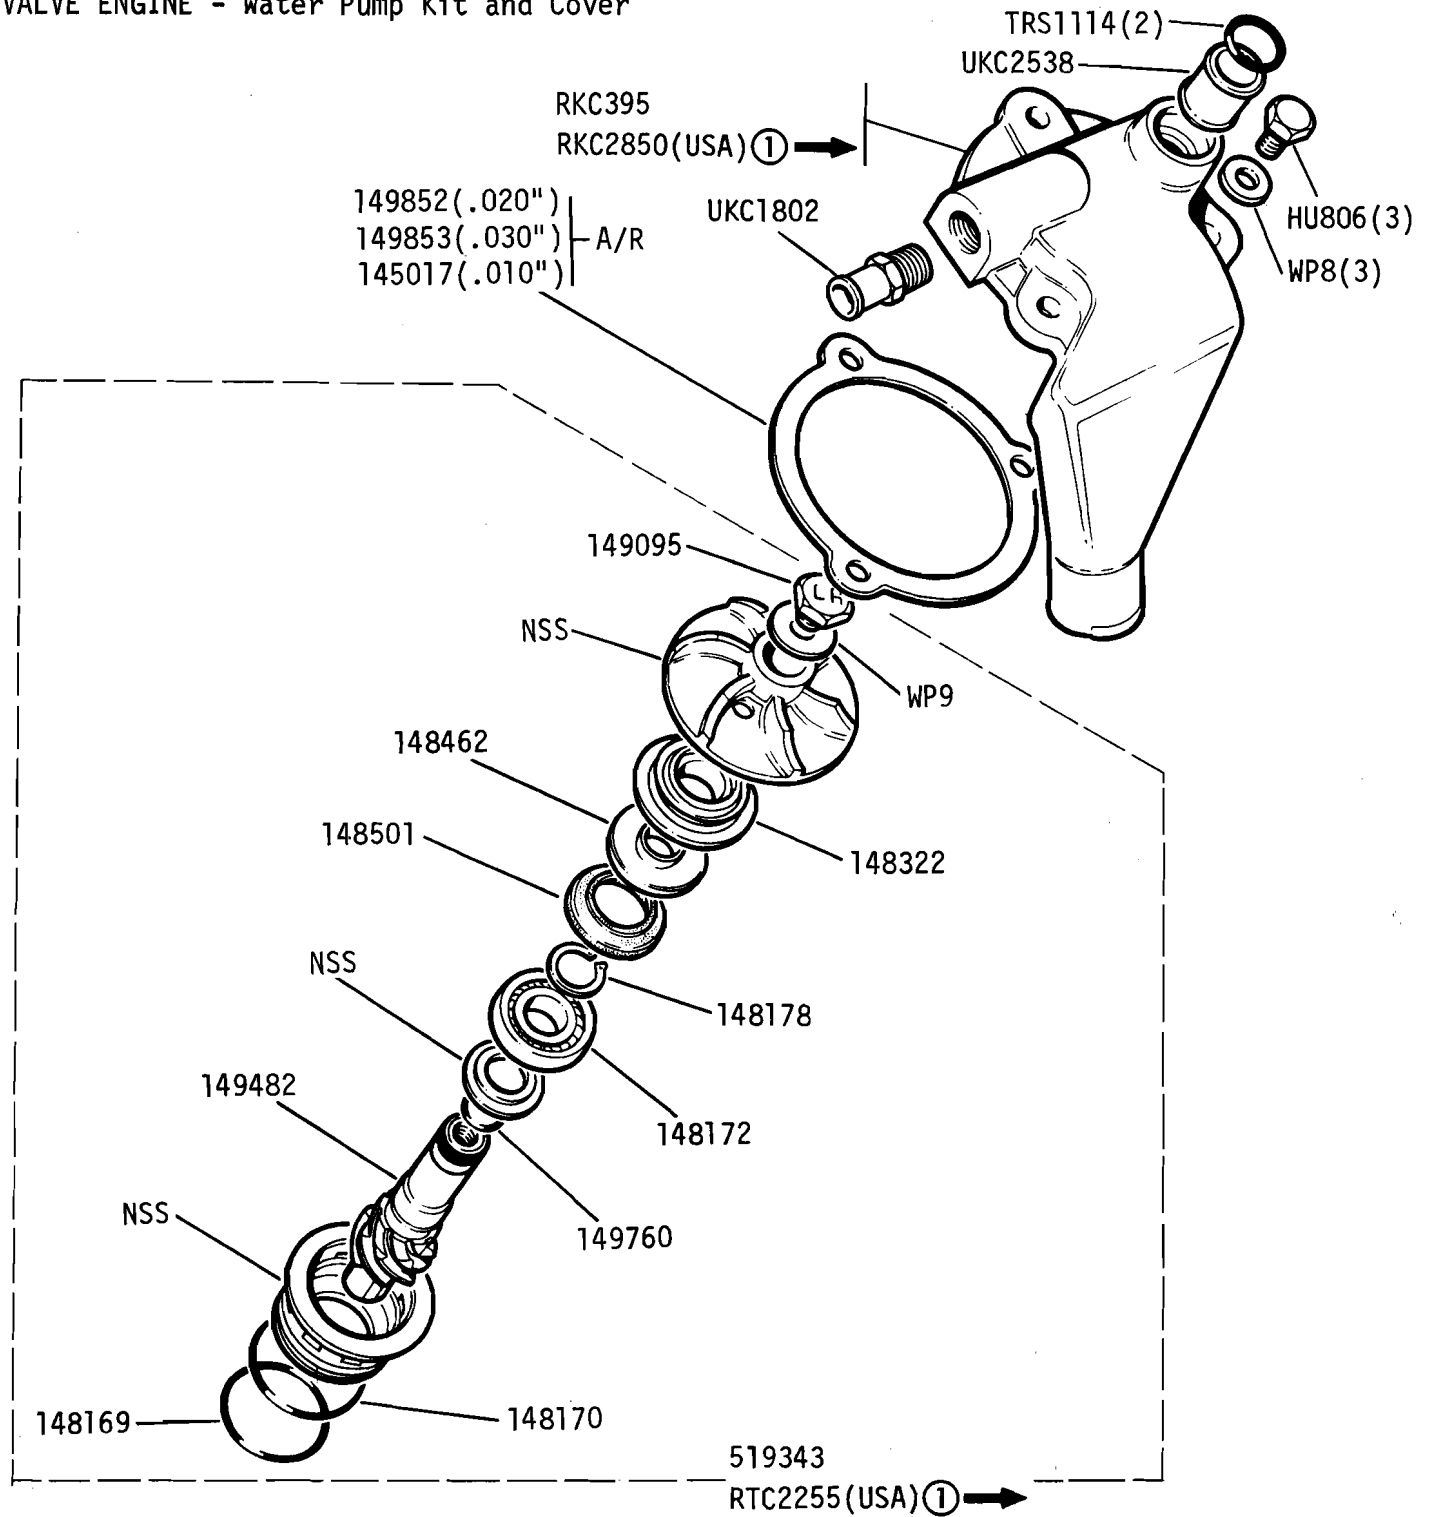

2 VALVE ENGINE - Oil suction pipe, oil transfer adaptor

2 VALVE ENGINE - Oil Filter, Oil Pump and Drive Shaft

2 VALVE ENGINE - Water Pump Kit and Cover

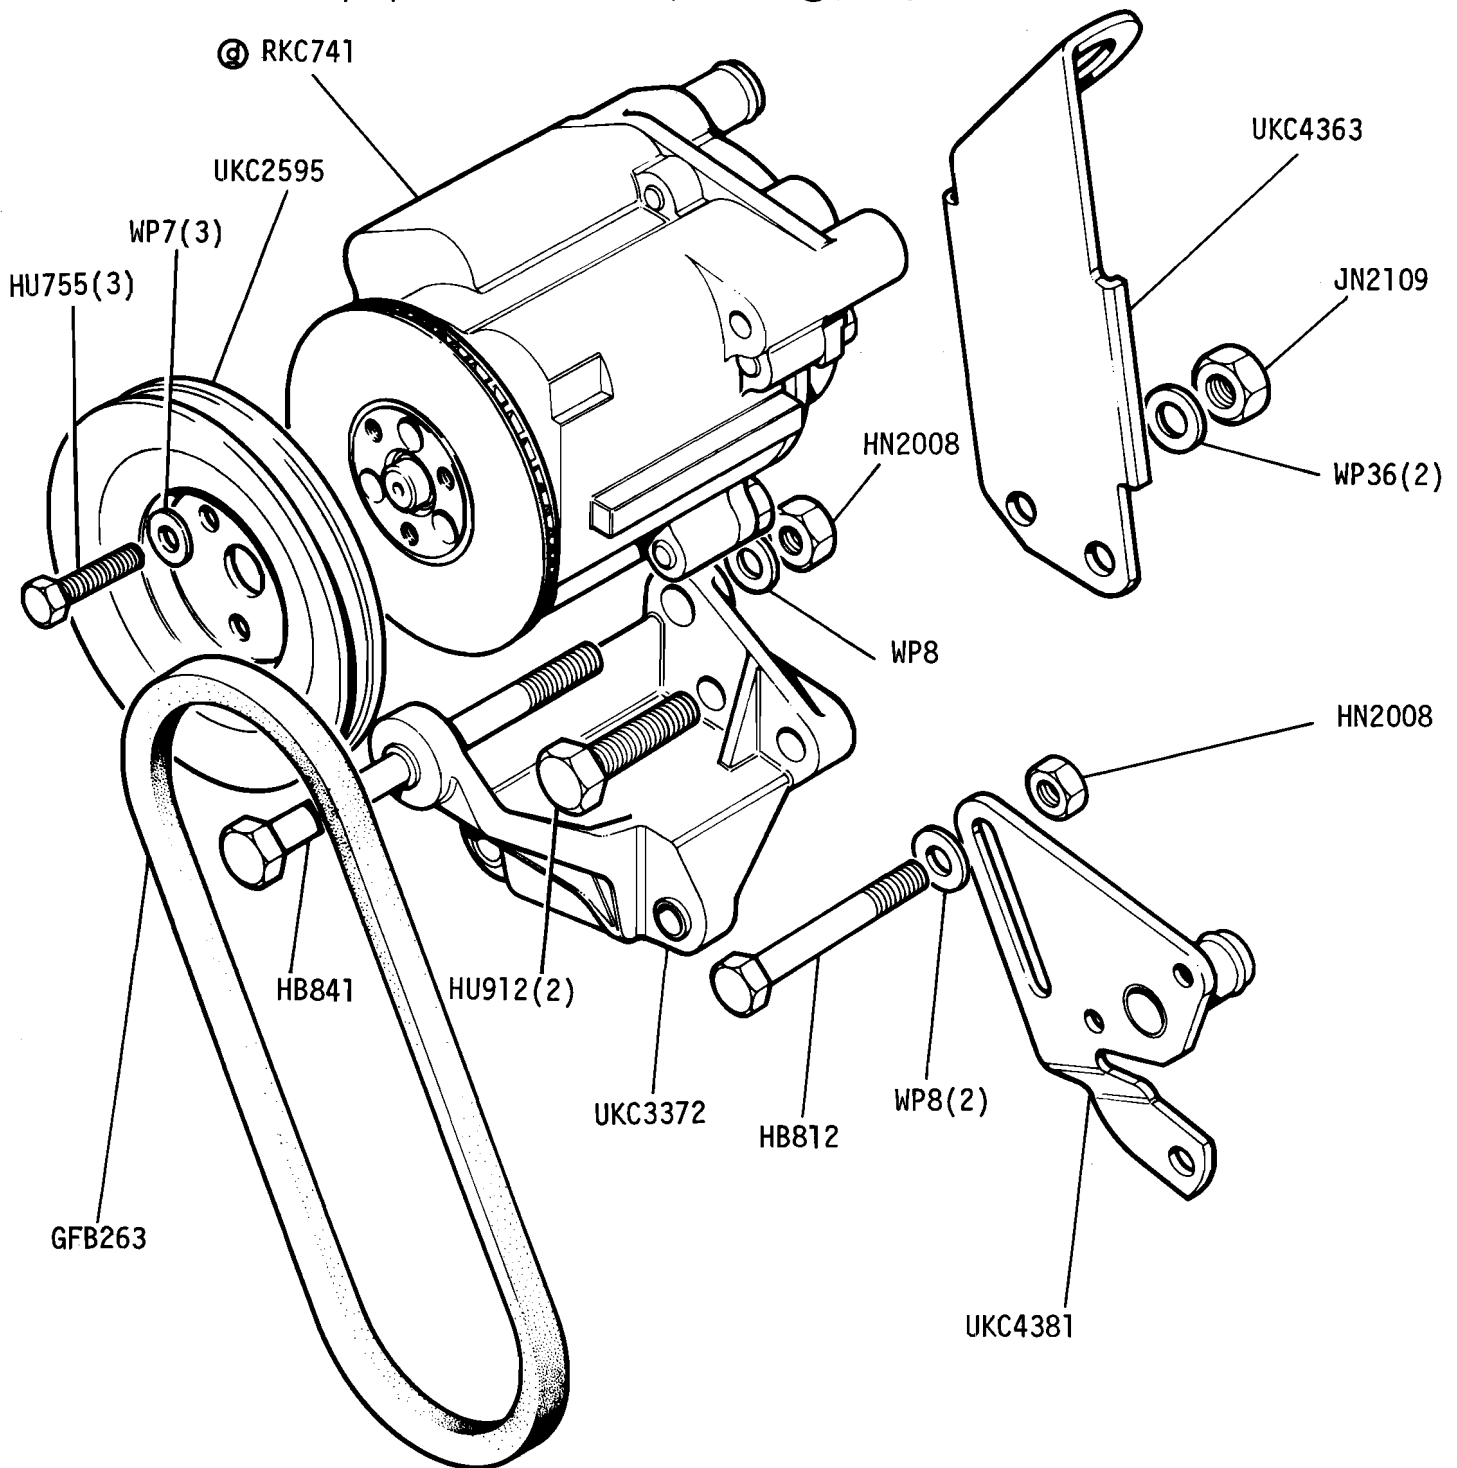

① Engine No.CV10 (1977)

Exploded view diagram of a Triumph engine head assembly. The diagram shows the following components and their assembly points:

- ARA2634**: A bolt used to secure the top of the valve train.
- ARA987**: A washer or spacer used in the valve train assembly.
- HU858(2)**: Two bolts used for the valve train.
- WL208(2)**: Two washers used in the valve train assembly.
- UKC4926** and **UKC6916**: Two different types of washers or spacers, each indicated by a circled 2.
- GTS108** and **GTS101**: Two different types of washers or spacers, each indicated by a circled 1.
- GTG103**: A gasket or seal used between the head and the block.
- C40106**: A bolt used to secure the side of the head.
- 148394**: A bolt used to secure the side of the head.
- UKC3195**: A bolt used to secure the side of the head.
- HU856** and **HU857**: Two different types of bolts used to secure the side of the head.
